### SECTION #1

A \_\_\_\_\_ deposit will reserve a puppy for the buyer until the puppy is ready to be shipped by the seller. Deposits are non-refundable. The puppy must be paid for in full, plus shipping fees, before the puppy is scheduled to be shipped. There are no refunds once the puppy has been purchased, full or partial.

### SECTION #2

**Seller guarantees puppy against congenital life-threatening defects for 6 months.** A veterinarian must check the puppy within 72 hours for this guarantee to be valid. Seller will not be responsible for any veterinarian fees or costs. Buyer must contact the seller and give vet check results within the week. The seller guarantees the puppy against fatal viruses for 72 hours. These include distemper, parvo and corona. It does NOT include giardia, coccidia and kennel cough which are caused by bacteria and are not life-threatening. Seller does not cover Demodex, thyroid disorder, hypoglycemia, colds, cocida, open fontanel, undescended testicles, uneven bites, hernias, cherry eyes, entroplan, loose hips, fleas, worms or any other minor illness.

Every effort has been made by the seller to assure the puppy is healthy when it is delivered to the buyer, unless buyer has been notified otherwise, and agrees to take shipment. The buyer also affirms and acknowledges that they may have diligently researched this breed and understand all responsibilities that accompany owning this breed of puppy. These responsibilities include, but are not limited to, required vaccinations and worming as recommended by a veterinarian. The puppy's vaccination record is included in the packet. The buyer is responsible for all medical expenses incurred from the date of delivery. The seller assumes no responsibility for this animal after leaving the premises for any medical expense, death, allergies, training difficulties, behavior problems or any other reason.

### SECTION #3

If the puppy is found to have a non-treatable life-threatening defect, a complete report from the buyer's veterinarian must be faxed to the seller within 48 hours after the determination. A replacement puppy may not be available immediately.

No refunds are given under any circumstance. The buyer will wait until a puppy from a future litter is available. The buyer is responsible for all shipping expenses to and from the seller on a replacement puppy. At no time will the credit exceed the purchase price of the puppy. If the puppy shows signs of neglect or abuse, this contract is considered null and void.

### SECTION #4

If for any reason and under any circumstance, the buyer refuses the replacement puppy, then this agreement shall be considered complete and fulfilled and no other replacement puppy will be offered. Buyer understands that any monies paid to the seller will be forfeited, as there are no cash refunds.

### SECTIONS #5

Buyer acknowledges that they are purchasing a pet and that the breeder cannot guarantee the size, weight, conformation, temperament, or breeding ability.

### SECTION #6

A puppy with a defect must be returned or euthanized with the prior permission of the seller to qualify for a replacement puppy. If the puppy is euthanized without seller's permission, this guarantee will be null and void, and no replacement puppy will be given.

### SECTION #7

If the puppy dies within the duration of the contract, that buyer will pay to have a necropsy done (at the buyer's expense). If reason of death is found to be congenital, the seller will replace the puppy.

### SECTION #8
